Category Matters - Location Matters Too

The best stateroom is the one that fits your sleep style, mobility, budget, family size and tolerance for motion or noise.

INSIDE & OCEANVIEW

Inside cabins can be the best value when you spend little time in the room. Oceanview adds natural light without the price of a balcony. Family variants and occupancy vary by ship.

BALCONY & CLUB BALCONY

Balconies add private outdoor space and can be especially valuable on scenic routes like Alaska. Club Balcony categories add space and selected perks; exact amenities vary by ship and category.

SUITES, THE HAVEN & SOLO

The Haven is NCL's premium ship-within-a-ship experience on many vessels. NCL also offers dedicated solo categories on multiple ships. Do not assume every category exists on every ship.

LOCATION QUESTIONS

What is above and below the room? How far is the nearest elevator? Do you need connecting cabins? Is anyone sensitive to motion? A deck plan can prevent a week of avoidable annoyance.

7220 TRAVEL DECISION FILTER

If this choice makes the trip easier for the people taking it, it is probably the right direction.
